Dear Community Member,

Run 5K for the Holiday is an annual 5K run and walk approaching its fourth season, where families and friends come together to raise money for the Leukemia & Lymphoma Society. Every year the excitement grows as the event approaches.

This year the 5K is scheduled for **Saturday, December 1st** at Green Acres Recreation Park in Burlington Township, New Jersey. Traditionally there are about 250-300 participants and volunteers that rally to battle blood cancers one step at a time.

Depending on your budget, we are offering three levels of sponsorship; all levels will be featured on the Race T-Shirt. What a great way to advertise your support for this important cause! This also serves as great advertising for you! Please return the form on page 2 to secure your sponsorship by **November 23rd**!

Our Race Committee would like to send a genuine “Thank You” for making this event possible! Every dollar moves us on step closer to the ultimate finish line – the final cure!

Deepest gratitude,
Jennifer Liss & The 5K Committee
